

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

August 4, 2009

On May 1, 2009, at approximately 5:30 a.m., a home invasion robbery/rape occurred at the Benton Bay Condominium Complex in the City of Norwalk. The victim is 82-years old and legally blind. A detailed composite sketch of the suspect was completed using a nearby witness who saw the suspect inside of the residence. Norwalk Station Detectives have exhausted all leads, which include physical evidence and the suspect's DNA. The suspect's composite was released to the news and print media but did not result in any tangible leads.

Detectives believed that an offer of a reward may motivate person(s) to come forward and identify the suspect. So the Los Angeles County Sheriff's Norwalk Station respectfully requested that a reward in the amount of \$10,000 be established and the Los Angeles County Board of Supervisors approved that reward at the May 19, 2009, Board of Supervisors' Meeting. The reward; however, is due to expire on August 17, 2009, so the Los Angeles County Sherriff's Norwalk Station is requesting it be reinstated.
